

TROMBONE EUROPEAN ACADEMY 2019/20

ARTISTIC DIRECTOR: **VINCENT LEPAPE**
CASA DELLA MUSICA DI PORTACOMARO - ITALY

Vincent Lepape (first chair trombone player at Teatro Regio in Turin) is the artistic director and creator of the Academy. He has invited some of the greatest European musicians to hold masterclasses at Casa Della Musica in Portacomaro, near Asti, Italy.

The aim of this course is to create an Italian-European centre where, by covering a variety of styles, you can improve the knowledge of the instrument thanks to the constant partnership with renowned international musicians from different countries and cultures.

Repertoire and technical studies will be conducted by Vincent Lepape and further developed by the visiting solo artists and teachers. Specific attention will be paid to the preparation for auditions and contests. Furthermore, orchestral procedure, baroque trombone, euphonium and contralto trombone techniques will be studied in a more detailed way.

Chamber music will have a prominent role throughout the course. Groups, quartets and large trombone ensembles will be created in order to take part in local or international music events.

This project is a form of educational, professional investment which aims at training a new generation of musicians in Italy and Europe. The Academy is expected to become an international reference point for the study of trombone in Italy and abroad.

The students enrolled at the Academy will have the opportunity to have a convention with for the course “**Obiettivo Orchestra**” at APM in Saluzzo and Filarmonica Teatro Regio Turin (visit <http://scuolaapm.it/altoperfezionamento/obiettivo-orchestra-2019-2020/>). Contact us if you need further information.

Courses will be held in Portacomaro, “music-town” and the birthplace of Pope Francesco’s grandparents. The area is well known for local food and wine, in particular it’s famous for wines such as Grignolino, Ruché and Barbera d’Asti. It is easily reachable from Turin, Milan and Genua, thanks to the near-by highway.

Addresses

Advanced course: for graduated or those about to graduate in art or music, both from new and old system of AFAM courses and Conservatories

Basic course : conservatory students, private or local music school students or bands.
